

Why Valiant Prep?

- Valiant Prep provides a robust, technology focused, tuition-free public education available with online curriculum content and classes - all day, every day, 24-7.
- Our school offers a personalized learning experience that is tailor-made for each student.
- Our school ensures freedom and flexibility in online learning with live, recorded and self-directed instruction.
- Support is offered students who are paired with numerous support services including a mentor, counselor and teacher.
- Valiant Prep offers **three** tracks for further academic and career exploration including the Digital Academy, Global Language Academy and Valiant Prep.
- Valiant Prep's **Digital Academy**, a technology-filled academy, focuses on game design, programming, robotics, engineering, forensics, criminology, computer science, and design/visual arts.
- **Valiant Prep's** flagship track offers a rigorous program with advanced options in Math, Language Arts, and Science including Gifted & Talented and AP® options.
- The **Global Language Academy** track offers robust languages including Chinese, Spanish and Sign Language in the elementary grades and French, Chinese, German, Japanese, Latin, Spanish and Sign Language in the upper grades.
- Valiant Prep values parents' central role as learning coaches, working with teachers to sustain student achievement.
- Students can participate in cutting edge programs, featuring a groundbreaking gaming portal where students learn by gaming and programming in all subject areas.
- Valiant Prep offers academic, world language and tech focused field trips and seminars to events that include JPL, Griffith Observatory, NASA space camp, and participate in field trips and enrichment activities and Apple field trips.
- Numerous summer internships, for eligible students, are available at affiliated corporate partners over the summer.
- Valiant Prep provides advanced leader options through its Honors and AP programs.
- Dual enrollment is allowed with community colleges and participating universities.
- Our school supports students with one-on-one support and mentoring, and highly qualified teachers vested in each student's personal success.
- Valiant Prep (formerly Valiant Academy) is part of a network of accredited schools and holds the earned status of "Candidacy" with the following regional commission: Advanc-Ed.
